Dear Frank,

Thank you

for your

Kindness.

Thank you very much for your charitable contribution of \$200.00 to Forest Park Crew. As you know the team's operating budget for the kids supports their competitions, boat maintenance, insurance, and more. The success of the team could not be what it is without the generous support of contributors like Ayala Charities! We appreciate your donation this year.

Sincerely,

Christie Setyas  
Forest Park Crew Treasurer.
