Dear Friends at Azalea Charities,

I couldn't be more proud of the effort that my students put into the art work on their cards. Having served four years in the USN, I have a deep love and respect for my country and for those who serve. One of my goals as a teacher is to instill that appreciation in the hearts of my students.

May God continue to bless you as you reach out to our wounded veterans. It is my hope that the art work and the poem that I wrote would encourage the brave men and women you have sacrificed more than we know or can ever repay.

Forever Grateful,
Mr. Fyoc
